At the beginning of the school season, I invited Matt Schroeder to speak to our Fall athletes at our "Sports Extravaganza" on August 13 at Leipsic High School.

We had heard about the motivational speeches that Matt had given at a variety of other schools around our area and welcomed him to do the same at our facility.

Matt gave a powerful message about perseverance, courage and the persistence to reach ones goals. It was an incredible night, in which our athletes listened intently and absorbed everything that Matt had to offer.

Recently, our football team finished one of its best seasons ever, by winning the Blanchard Valley Conference outright championship and advancing to the second round of the playoffs for just the second time in school history.

I have to believe the message that Matt provided at the start of the season, was at least partly the reason for some of the team's success.

I wholeheartedly give my recommendation for all to listen to Matt speak. He will deliver a unique speech that all will certainly remember.

Feel free to contact me with any questions at 419-943-2164 ext 1304.

Sincerely,

Gary W. Kreinbrink
